

Technical drawing of the side view of a truck chassis. The drawing shows the chassis structure, including the front suspension, wheels, and rear suspension. Key dimensions are indicated:

- Overall width: 1200
- Height from ground to the top of the chassis: 1250 (Ref.)
- Height from ground to the top of the chassis at the rear: 1439
- Distance from the front wheel to the center of the rear axle: 2683
- Distance between the two rear wheels: 1140
- Distance from the center of the rear axle to the rear of the chassis: 1826

The drawing also shows various components such as the front suspension, wheels, and rear suspension. A double-headed arrow indicates the vertical movement of the front suspension.
